<b>Resolution requests</b>	SRB / EBA / DNB	All banks	Resolution data are collected to draft resolution plans. There are templates from SRB, EBA and DNB, requested at different times of the year.	Annually	Depends on the request.	Depends on the request.	Depends on the request.	SRB templates consists of a) an FMI report - which provides a reasonably detailed overview of banks' participation in FMIs b) a Critical Functions report - which aims at guiding institutions through the self-assessment for defining critical functions. EBA templates request the minimum information needed for resolution planning. DNB templates incorporate data to meet the objectives set out in the chapters of the manual in order to make a full BRRD compliant Resolution plan.	SRB templates can be found at <a href="https://srb.europa.eu/en/content/fmi-report">https://srb.europa.eu/en/content/fmi-report</a> EBA templates can be found at <a href="https://www.eba.europa.eu/-/eba-consults-on-procedures-forms-and-templates-for-resolution-planning">https://www.eba.europa.eu/-/eba-consults-on-procedures-forms-and-templates-for-resolution-planning</a> DNB templates are sent via email.
<b>Data submission request for SREP/RAS</b>	ECB/ DNB	Already selected banks.	Additional data for SREP/RAS will be gathered as part of the STE data collection, the data must be submitted to the ECB at the same time as the quarterly ITS data submission. DNB will ask the banks to submit this data two weeks before the deadline as part of the ITS verification process.	Quarterly	31-03-2018	Four to five weeks before the deadline	14-05-2018	The Short Term Exercise was initiated in order to complement ITS data needed for the SREP. Some components of the STE will become part of the regular ITS data request and will therefore no longer be requested in the context of the STE.	Mail send via Supervisory request mailbox.
<b>Single Resolution Fund Report</b>	SRB	All banks	Data about the risk profile of the institution is collected on individual level - in an excel template (XBRL based).	Annually	31-12-2016	15-12-2017	17-01-2018	Data used by SRB to calculate the contribution per institution to Single Resolution Fund. The Single Resolution Fund enables effective implementation of resolution instruments.	See the SRB-website for more information: <a href="https://srb.europa.eu/en/content/single-resolution-fund">https://srb.europa.eu/en/content/single-resolution-fund</a>
<b>Supervisory fees</b>	ECB	All banks except non EEA branches	The supervisory fee is the amount each supervised bank pays annually to the ECB to finance the ECB's costs related to supervisory tasks and responsibilities. Less significant banks are directly supervised by their relevant national supervisor and therefore pay a lower supervisory fee to the ECB.	Annually	2017	May 2018 (To be confirmed)	Sept 2018 (To be confirmed)	The ECB is responsible for the effective and consistent functioning of the Single Supervisory Mechanism in its entirety, i.e. of the significant banks that it directly supervises and of the less significant banks that it indirectly supervises. All supervised banks are therefore obliged to pay.	See the ECB website: <a href="#">Click here</a>
