ADDITIONAL SUPERVISORY DATA REQUESTS PER 28 AUGUST 2018									
Subject	Organisation	Target group	Scope of data to be submitted	Frequency	Reference date of data	Release date of request	Deadline banks	Explanation	Further information
Interest only mortgages segmentation	ECB & AFM	SI's at first, at a later stage all financial institutions that originate mortgages	Risk segmentation based on the institution's entire Dutch mortgage portfolio.	Quarterly	30-06-2018	End of March	16-07-2018	Segmentation of mortgage clients and mortgage exposures according to End LTV buckets and according to Time to event (time to retirement, time to fiscal deductibility and time to maturity). Additionally there will be risk by risk factor analysis underlying this segmentation.	This request is divided into two parts. The AFM has already sent letters regarding the one part of the request. The ECB will send letters regarding the other part of the request at a later stage.
Liability Data Report	SRB	SRB banks (SI's and cross-border institutions)	Data on liability structure for Relevant Legal Entities (RLE) on solo and/or sub-consolidated level and at group consolidated level (XBRL based).	Annually	31-12-2018	01-12-2018 (To be confirmed)	17-03-2019	The Liability Data Report is used for drawing up, maintaining and implementing resolution plans and for MREL purposes.	See BRRD and SRMR, articles 1 and 2. For information on SRB website: Click here
Remuneration Benchmarking	EBA	Selected SI banks	Data in addition to remuneration for high earners to be able to benchmark banks for similar functions and business areas. DLR will replace e-Line.	Annually	2018	May 2019 (To be confirmed)	June 2019 (To be confirmed)	Data collection aimed at gaining an understanding of the trends in remuneration practices.	See Article 75 of Directive 2013/36/EC (CRDIV). For extra information on the EBA website: Click here
Remuneration of high earners	EBA	All banks	Data on the number of natural persons earning EUR 1 million or more per financial year. DLR will replace e-Line.	Annually	2018	May 2019 (To be confirmed)	June 2019 (To be confirmed)	EBA yearly collects various remuneration data on high earners to gain insight into the number of high earners per European country and in remuneration levels across countries.	See Article 75 of Directive 2013/36/EC (CRDIV). For extra information on the EBA website: Click here
Resolution requests	SRB / EBA / DNB	All banks	Resolution data are collected to draft resolution plans. There are templates from SRB, EBA and DNB, requested at different times of the year.	Annually	Depends on the request.	Depends on the request.	Depends on the request.	SRB templates consists of a) an FMI report - which provides a reasonably detailed overview of banks' participation in FMIs b) a Critical Functions report - which aims at guiding institutions through the self-assessment for defining critical functions. EBA templates request the minimum information needed for resolution planning. DNB templates incorporate data to meet the objectives set out in the chapters of the manual in order to make a full BRRD compliant Resolution plan.	SRB templates can be found at https://srb.europa.eu/en/content/fmi-report EBA templates can be found at https://www.eba.europa.eu/-/eba-consults-on-procedures-forms-and-templates-for-resolution-planning DNB templates are sent via email.
Data submission request for SREP/RAS STE-14	ECB/ DNB	Already selected banks.	Additional data for SREP/RAS will be gathered as part of the STE data collection, the data must be submitted to the ECB at the same time as the quarterly ITS data submission. DNB will ask the banks to submit this data two weeks before the deadline as part of the ITS verification process.	Quarterly	30-06-2018	Four to five weeks before the deadline	13-08-2018	The Short Term Exercise was initiated in order to complement ITS data needed for the SREP. Some components of the STE will become part of the regular ITS data request and will therefore no longer be requested in the context of the STE.	Mail send via Supervisory request mailbox.
Single Resolution Fund Report	SRB	All banks	Data about the risk profile of the institution is collected on individual level - in an excel template (XBRL based).	Annually	31-12-2017	15-12-2018	January 2019 (To be confirmed)	Data used by SRB to calculate the contribution per institution to Single Resolution Fund. The Single Resolution Fund enables effective implementation of resolution instruments.	See the SRB-website for more information: https://srb.europa.eu/en/content/single-resolution-fund
Supervisory fees	ECB	All banks except non EEA branches	The supervisory fee is the amount each supervised bank pays annually to the ECB to finance the ECB's costs related to supervisory tasks and responsibilities. Less significant banks are directly supervised by their relevant national supervisor and therefore pay a lower supervisory fee to the ECB.	Annually	2017	May 2018	02-07-2018	The ECB is responsible for the effective and consistent functioning of the Single Supervisory Mechanism in its entirety, i.e. of the significant banks that it directly supervises and of the less significant banks that it indirectly supervises. All supervised banks are therefore obliged to pay.	See the ECB website: Click here
Ad hoc requests									
Brexit – Data request [NEW]	ECB	Selected SI's	Includes several templates, such as: - Third Country Presence Assessment Template - Data request on Outgoing Banks (Benchmark Exercise) - Additional data requests on Outgoing Banks: contract continuity, data protection, funding, MREL & further questions <small>Brexit preparedness factsheet</small>	-	Depends on the request.	end of July 2018	31-08-2018	As a result of Brexit, outgoing significant institutions that wish to remain active in the UK post-Brexit through a branch or subsidiary, have to obtain regulatory approval from both the UK (PRA and/or FCA approval) and SSM supervisory authorities. The aim of the requests is to assess the Brexit preparedness of banks.	Banks in scope will be contacted by email.
