| •  |  | Organi-<br>sation | Target group  | Scope of data to be submitted  | Frequency                | Reference date of data   | Release date of<br>request | Deadline banks   | Explanation  | Further information   |  |
|    | Risk Assessment<br>Questionnaire   | EBA               | Selected SIs  | Qualitative questionnaire on the<br>bank's opinion regarding the main<br>risks and vulnerabilities in the EU<br>banking sector.  | Semi-annually            | Not specifically mentioned. Questionnaire mostly contains qualitative questions. In some cases a time horizon is mentioned (e.g. 6-12 months). | July 2025                  |  | The EBA conducts semi-annual Risk Assessment Questionnaires (RAQs) among banks and market analysts. The RAQ results are published together with the EBA's quarterly Risk Dashboard and will be used for the yearly Risk Assessment Report (see https://www.eba.europa.eu/risk-analysis-and-data/risk-dashboard and https://www.eba.europa.eu/risk-analysis-and-data/risk-assessment-reports)   | Banks in scope have been contacted.   |  |
|    | Single Resolution Fund<br>Report   | SRB               | All banks   | Data about institution's size and risk profile is collected on an individual level - by means of an excel template (xbrl based).   | Annually                 | 31-01-2026   | 23-09-2025                 | 19-01-2026   | The data is used by SRB to calculate the contribution per institution to the Single Resolution Fund. The Single Resolution Fund may be used to ensure the effective application of the resolution tools and powers.  | See the SRB website: Click here   |  |
| 23 | Supervisory Fees   | ECB               | All banks except<br>non EEA branches                            | The supervisory fee is the amount each supervised bank pays annually to the ECB to finance the ECB's costs related to supervisory tasks and responsibilities. Less significant banks are directly supervised by their relevant national supervisor and therefore pay a lower supervisory fee to the ECB. | Annually                 | 2025   | n/a                        | 11-11-2025   | The ECB is responsible for the effective and consistent functioning of the Single Supervisory Mechanism in its entirety, i.e. of the significant banks that it directly supervises and of the less significant banks that it indirectly supervises. All supervised banks are therefore obliged to pay. The procedure has been changed in December 2019, please see the ECB pressrelease.   | data to calculate fees, removing the need for a separate data collection process for most banks. Two categorie of banks must still provide their fee factors via a separate collection process, for details see: <a href="ECB website">ECB website</a> .  |  |
|    |  |                   |   |  |                          |  |                            |  |  | Fee debtors that intend to exclude assets and/or risk exposure amounts of subsidiaries established in non-participating Member States and third countries have to notify (online) the ECB of their decision at the latest by 3 September of the year concerned. See link above for more details, also for reporting instructions and templates. |  |
| 27 | RLE self-assessment  | DNB               | SRB banks   | The request includes the different legal entities and some key datapoints related to each legal entity. Excel format.  | Annually                 | 30-06-2025   | 25-09-2025                 | 10-10-2025   | The aim of the Relevant Legal Entities self-assessment is to gain insight in the entities that need to be included in scope for resolution planning purposes.  |   |  |
|    | Payment Account<br>Questionnaire UPDATE                                      | DNB               | SIs and selected<br>LSIs  | The questionnaire is requested from<br>DNB in order to perform resolution<br>activities.   | Annually                 | 31-12-2025   | December 2025              | 31-03-2026   | The aim of the Payment Account Questionnaire is to gather information necessary for the drafting of Resolution Plans.  |   |  |
|    | Additional Liability<br>Report UPDATE  | SRB / DNB         | Selected SRB<br>banks (SIs and<br>cross-border<br>institutions) | The report is requested from SRB and DNB in order to perform resolution activities. Excel format.  | Annually                 | 31-12-2025   | December 2025              | 31-03-2026   | The aim of the Additional Liability Report is to collect on a temporary basis the data points related to the stock of eligible TLAC and MREL (total amount and internal) necessary to set intermediate MREL targets in the 2024 resolution planning cycle.   | For more information: <u>Click here</u>   |  |
| 31 | Recovery Plans   | DNB               | LSIs  | See explanation.   | Annually /<br>Biennially | To be decided  | -                          | Differs per bank   | In accordance with the Bank Recovery and Resolution Directive 2014/59/EU (BRRD) as transposed into Dutch law, LSIs are required to submit an updated recovery plan.  | Banks will be contacted by e-mail.<br>Banks will be informed seperately<br>about their deadline for submission.   |  |
| 4  | Additional template on<br>Article 458 (2)<br>macroprudential risk<br>measure | DNB               | Selected banks<br>(IRB banks)                                   | The template is requested to provide information on the impact of RWA based on LTV buckets   | Quarterly                | 31-12-2024<br>31-03-2025<br>30-06-2025<br>30-09-2025<br>31-12-2025<br>31-03-2026<br>30-06-2026<br>30-09-2026                                   | 1-1-2022                   | 15-02-2025<br>30-06-2025<br>15-08-2025<br>15-11-2025<br>15-02-2026<br>15-05-2026<br>15-08-2026<br>15-11-2026 | This report aims to provide DNB with information on the additional capital that IRB-banks hold for residential real estate mortgages as a result of the introduction of the minimum floor for risk weights as per 1 January 2022. The data allows DNB to make an assessment of the additional capital that banks hold and makes a better-informed evaluation possible of the appropriateness of the measure and the extent to which the measure addresses systemic risk. Only banks that have to apply the measure are requested to complete this adhoc data report (which are all banks using internal models to calculate their risk weighted assets and have their registered office in the Netherlands). | Since DNB has extended the Article 458 measure with two years, the reporting obligation for IRB banks in scope continues to be effective until reference data 30-09-2026.   |  |
|    | Recovery Plan<br>Standardized<br>Reporting Template                          | ECB               | SIs   | Excel template to report key data of the recovery plan in a clear and structured manner.   | Annually                 | -  | 23-9-2025                  | =  | SI's are required to draft and maintain recovery plans and to submit<br>them annually for assessment. The Recovery Plan Standardized<br>Reporting Template (SRT) is subject to periodic review.  | Banks in scope are contacted by email.  |  |
