5th XAmsterdam Macroeconomic Workshop

CALL FOR PAPERS

This is to announce that a research workshop on *Macroeconomics* will be held at the University of Amsterdam on **16-17 December 2026**. The workshop is jointly organised by the Tinbergen Institute, De Nederlandsche Bank, the Economics Departments of Universiteit van Amsterdam and Vrije Universiteit Amsterdam and Finn Kydland's Laboratory for Aggregate Economics and Finance (LAEF) at the University of California, Santa Barbara.

Workshop Aim and Themes

The workshop aims at bringing together leading researchers, junior scholars and experts from the policy community in the field of macroeconomics, and at fostering interactions between economists in the US (or other parts of the world) and economists in the Netherlands or Europe. Accepted papers will be discussed by an expert in the field.

The workshop will consider contributions from all fields of macroeconomics, both theoretical and applied, with particular attention but not exclusive, to the following sub-fields/topics: Money-macro, Firm Dynamics and Productivity, Expectations and the Macroeconomy, Heterogeneity and Monetary Policy, Labor Markets, Public Finance, (Consumption, Income and Wealth) Inequality, Identification in Macroeconomics.

Keynote Speakers:

Mariacristina De Nardi (University of Minnesota)

Geert Mesters (Federal Reserve Bank of New York)

Selection process

Both theoretical and applied papers will be considered. A decision on participation will be based on a detailed abstract or preferably on a draft paper. Only papers not yet accepted for publication should be submitted. **The submission deadline is October 24, 2026**. Interested authors are invited to fill the form and submit the paper (or its detailed abstract) in PDF format at the following link: https://form.jotform.com/262636103329050.

Acceptance will be notified by 31 October.

The organizers will cover the costs of accommodation, and travel costs only within the EU.
