The Single Resolution Fund may be used to ensure the effective application of the resolution tools and powers.	See the SRB website for more information: <a href="#">Click here</a>
A23	<b>Supervisory Fees</b>	ECB	All banks except non EEA branches	The supervisory fee is the amount each supervised bank pays annually to the ECB to finance the ECB's costs related to supervisory tasks and responsibilities. Less significant banks are directly supervised by their relevant national supervisor and therefore pay a lower supervisory fee to the ECB.	Annually	2025	n/a	11-11-2025	The ECB is responsible for the effective and consistent functioning of the Single Supervisory Mechanism in its entirety, i.e. of the significant banks that it directly supervises and of the less significant banks that it indirectly supervises. All supervised banks are therefore obliged to pay. The procedure has been changed in December 2019, please see the ECB pressrelease.	The ECB will reuse existing supervisory data to calculate fees, removing the need for a separate data collection process for most banks. Two categories of banks must still provide their fee factors via a separate collection process, for details see: <a href="#">ECB website</a> .  Fee debtors that intend to exclude assets and/or risk exposure amounts of subsidiaries established in non-participating Member States and third countries have to notify (online) the ECB of their decision at the latest by 30 September of the year concerned. See link above for more details, also for reporting instructions and templates.
