A19	Information on Identified Staff <b>[UPDATE]</b>	DNB	LSI banks	Data on the number of Identified Staff	Annually	2022	Q2 2023	31-08-2023	In addition to the annual EBA data requests, DNB collects data on the number of Identified Staff. With this annual exercise DNB wants to decrease ad hoc data requests on this matter.	This report will be requested via Excel separately. A different reporting obligation will be visible in DLR.
A20	Risk Assessment Questionnaire	EBA	Selected SI's	Qualitative questionnaire on the bank's opinion regarding the main risks and vulnerabilities in the EU banking sector.	Semi-annually	Not specifically mentioned. Questionnaire mostly contains qualitative questions. In some cases a time horizon is mentioned (e.g. 6-12 months).	End of July 2022	9-9-2022	The EBA conducts semi-annual Risk Assessment Questionnaires (RAQs) among banks and market analysts. The RAQ results are published together with the EBA's quarterly Risk Dashboard and will be used for the yearly Risk Assessment Report (see <a href="https://www.eba.europa.eu/risk-analysis-and-data/risk-dashboard">https://www.eba.europa.eu/risk-analysis-and-data/risk-dashboard</a> and <a href="https://www.eba.europa.eu/risk-analysis-and-data/risk-assessment-reports">https://www.eba.europa.eu/risk-analysis-and-data/risk-assessment-reports</a> )	Banks in scope will be contacted directly by email by the EBA.
A22	Single Resolution Fund Report <b>[UPDATE]</b>	SRB	All banks	Data about institution's size and risk profile is collected on an individual level - by means of an excel template (XBRL based).	Annually	31-12-2021	1-11-2022	13-1-2023	The data is used by SRB to calculate the contribution per institution to the Single Resolution Fund. The Single Resolution Fund may be used to ensure the effective application of the resolution tools and powers.	See the SRB website: <a href="#">Click here</a>
A23	Supervisory Fees	ECB	All banks except non EEA branches	The supervisory fee is the amount each supervised bank pays annually to the ECB to finance the ECB's costs related to supervisory tasks and responsibilities. Less significant banks are directly supervised by their relevant national supervisor and therefore pay a lower supervisory fee to the ECB.	Annually	2021	n/a	11-11-2022	The ECB is responsible for the effective and consistent functioning of the Single Supervisory Mechanism in its entirety, i.e. of the significant banks that it directly supervises and of the less significant banks that it indirectly supervises. All supervised banks are therefore obliged to pay. The procedure has been changed in December 2019, please see the <a href="#">ECB pressrelease</a> .	The ECB will reuse existing supervisory data to calculate fees, removing the need for a separate data collection process for most banks. Two categories of banks must still provide their fee factors via a separate collection process, for details see: <a href="#">ECB website</a> .  Fee debtors that intend to exclude assets and/or risk exposure amounts of subsidiaries established in non-participating Member States and third countries have to notify (online) the ECB of their decision at the latest by 30 September of the year concerned. See link above for more details, also for reporting instructions and
